Pignon, Haiti

My name is Kaye Hooker. I will be your co-team leader for the Haiti Build that is scheduled for January 13-21, 2018. This will be my 10th time leading or co-leading a build trip to Haiti for the Fuller Center. Throughout the week, we will have opportunities for cultural experiences and a bit of R and R. We will be building at the Fuller Center site in Pignon, Haiti.

I am from Hudsonville, Michigan (just outside of Grand Rapids) and have lived in Michigan my entire life. I have worked in Public Service for the United States Department of Justice for most of my career. I look forward to co-leading this team and providing all of the team members with a meaningful experience as we build homes for those in need. I hope that you will consider joining this team of up to 12 people.

My name is Pamela Bland and I've participated in 6 builds for Fuller Center in Haiti, Peru & Armenia. I have also completed 7 builds with Habitat in New Zealand, Africa, Romania, Jordan, Vietnam, Nepal, Argentina along with medical missions in Dominican Republic. I am a Nursing Director over 6 units at Parkview Regional Medical Center in Fort Wayne, IN. I have been a nurse for 30 years. I am married with 3 children & 9 grandchildren. Love to travel learning new cultures & helping others. Kaye and I are co-leading a trip to India in October so this will be the second time I've co-lead a team with her.
