### About the Trip

Location: Trishuli, Nepal  
Dates: March 24 – 31, 2018  
Cost: \$1,120  
Expected group size: Up to 14  
Trip Number: 46021

**I (Andy) am retired after 36 years in the corporate world. I spend my time volunteering for several organizations including Mercy Corps and Habitat for Humanity, and enjoying my family. This trip to Nepal will be my 12<sup>th</sup> international build with one of several organizations. I have been a team member on builds in Mexico, Malaysia (Borneo), Philippines, Russian Federation (Siberia), Malawi (x2) and Costa Rica. I have been a team leader on builds in Indonesia, India, and Chile, and will be leading a team to Peru in October of this year.**

**I grew up in the Foreign Service and have lived in several countries around the world. I thrive on exposure to new cultures and the full sensory experience that goes along with that. I enjoy builds for the positive difference they allow me to make in people's lives and for the team members I get to meet along the way who become friends. I am really looking forward to this build in Nepal. It will be my first time there. I am also really looking forward to meeting and working with you! I hope that you will join me and help me make a difference in the lives of a family we haven't met yet.**
