Team leader names: Boots Shaffer & Ramsay Walker
Currently live in: Tyler, TX
Occupation: Retired (mainly leading teams now)
Best phone: 903-566-6755
Best email: walkerteams@gmail.com

About the Trip

Location: Lampang, Thailand
Dates: January 21 to February 3, 2018
Cost: \$1700
Expected group size: 10-12
Trip Number: GB47015

Boots and Ramsay Walker have been involved with volunteer home building programs initially as team members and more recently as team leaders primarily in various parts of Europe, Asia, Africa, and Latin America. With Habitat for Humanity, they led teams most years to Thailand including to Lampang as well as to other countries. In 2016, they led the first Fuller Center teams to Thailand, in Lampang, and have continued leading and/or hosting teams there in 2017. They have also led Global Builders teams in recent years to Armenia, Peru, India, Sri Lanka, Nepal, Nicaragua, and Bolivia.

Boots worked full-time for a year in Thailand (her native country) with Habitat for Humanity as national GV coordinator some years ago, and is now mentoring the establishment of the Fuller Center Covenant Partnership in her home town there.

We are looking for volunteers of all ages, backgrounds, experience, and interests. There is no requirement for building experience to join this team, only a willingness to work hard, follow directions, be flexible, and have fun. We will be working closely on this build with a family in the Lampang area to improve their housing situation. We will also have opportunities to do some sightseeing in and around Lampang and to enjoy other cultural activities.

You are most welcome to contact us by email at walkerteams@gmail.com for more information about this building trip to Thailand next February.
