Success stories your support made possible

Fuller Center for Housing covenant partners around the world partnered with at least 513 families to help them have simple, decent places to live in calendar year 2018. Among the success stories we saw in 2018 were ...

A blow against Chagas in Bolivia

We completed a 66-home community in the remote village of Mizque, Bolivia, replacing mud shacks (in which the dangerous Chagas bug and disease festered) with solid, safe new homes.

Disaster recovery in full swing

Our Disaster ReBuilders and Global Builders flocked to bases in Texas, North Carolina and Puerto Rico to help families who felt left behind after massive hurricanes.

UCC’s 50-home pledge fulfilled

The United Church of Christ pledged to fund the building of 50 new homes through The Fuller Center in earthquake-ravaged Nepal. We completed those 50, and the work continues.

Growing like never before

We added nine new U.S. covenant partners, including our first in New York, which helped the Merlo family have a home for Christmas. We now have 75 U.S. and 21 international partners.

MISSION STATEMENT

The Fuller Center for Housing, faith-driven and Christ-centered, promotes collaborative and innovative partnerships with individuals and organizations in an unrelenting quest to provide adequate shelter for all people in need worldwide.
