DAY 3 ARTS AND CRAFTS LESSON

GOD LOVES YOU

1 John 4:10
This is love: not that we loved God, but that he loved us and sent his Son as an atoning sacrifice for our sins.

NEPAL

MIGHTY MOUNTAINS

Let's go to Nepal!

Nepal is a country in South Asia. The Himalayan mountains go through the country, and the world's tallest Mountain, Mt. Everest, is in Nepal! There are many people groups and over 90 languages spoken here.

Art Vocabulary

Landscape: a painting, drawing, or design that shows a view of land.

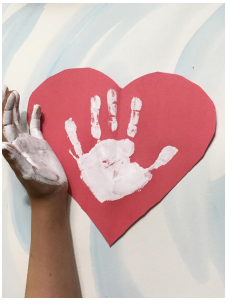
Materials

- 1 sheet of red construction paper
- white acrylic paint (for hand print)
- 1 sheet of white cardstock
- crayons
- scissors
- glue

MIGHTY MOUNTAINS

Directions

1. Fold the red construction paper in half. Use a crayon and draw half a heart along the fold. Make it very large! Cut out.



2. Use white acrylic paint (and maybe a paintbrush to paint the child's hand) to make a handprint in the middle of the red heart. This will be glued onto the mountain painting, once dried

3. While kids take turns making their handprints, have them start drawing and coloring their mountains.
First, turn the white paper horizontal. Use crayons and draw the two lines. *First*, the "Horizon Line" goes straight across (where the grass meets the mountain). *Second*, draw the "Mountain Line" (the top edge of the mountains)

4. Next have students fill in their mountain drawing with crayons. Since the middle will be covered with the heart, have them start by working along the outside edge of their drawing. They may want to add details to the grass like flowers or snow to their mountains.

5. Finally, once the handprint is dried, glue the red heart handprint to the middle of their mountain drawing. This represents that even thought the mountains are beautiful, they are not as special as YOU! God made YOU and loves YOU! You are even more beautiful to Him than all the mountains in the world!
