

Come and Join Us in

Rebuilding Haiti

You can become part of the long-term effort to help rebuild for the people of Haiti. The Fuller Center for Housing is inviting all churches to sponsor a home in Haiti as part of its plans to establish a long-term recovery effort there.

The Haiti initiative will rebuild as many homes for earthquake victims as can be funded. The Fuller Center is partnering with Lazarian World Homes, a non-profit organization based in California providing a unique house design just for Haiti—a one-room 16' x 16' earthquake, fire and hurricane-resistant home **which can be sponsored for just \$3,000.**

Donations and expression of interest in joining work teams can be done on-line at: fullercenter.org/haiti

Donations can be made out to “The Fuller Center” and mailed to:

The Fuller Center for Housing

The Fuller Center, a nonprofit ecumenical Christian housing ministry with covenant partners in over 60 locations throughout the U.S. and 17 countries in the world, partners with low-income families to build and renovate homes.

Litany of Hope for the People of Haiti

Leader: The UN estimates that over one million people of Haiti were left homeless because of the earthquake.

People: Our prayers are with those crying out to you “My God, why have thou forsaken us?”

Leader: We are gathered here today, in your house of worship.

People: In a world of suffering, Lord you have provided us with shelter.

Leader: In a world of hunger, Lord you have provided us with food and nourishment.

People: In a world of orphans and loneliness, Lord you have provided us with community.

Leader: The needs of Haiti are overwhelming.

People: We are reminded Lord that you have given us all that we need to rebuild Haiti.

Leader: Lord, we pray that you will enable us to be your hope for the people of Haiti.

All: Empower us to share your compassion, your love and our resources to help your children in Haiti, feel, see and know your presence during their time of great need.

Amen.
