Because this survey is being used to help the staff plan the projects for the time you will be volunteering with The Fuller Center, it is important that you return this form at least thirty (30) days before you are scheduled to arrive. Though we want to utilize your skills and talents to their fullest, many factors may determine what projects you will be working on such as the skill level of your group, the financial resources available, the tasks completed by previous volunteers, and the weather conditions. Remember...*THERE ARE NO UNIMPORTANT JOBS!*
